

A Perfect 10

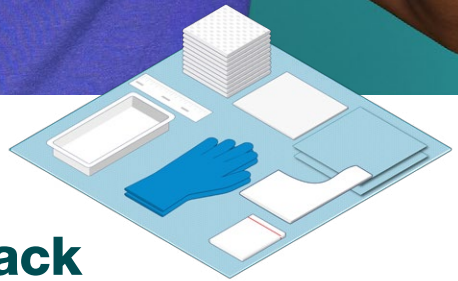

Polyfield Dressing Pack Plus

Cost effective, comprehensive dressing pack

10 Swabs in Every Pack

Means fewer packs opened per patient

Why Choose Polyfield Patient Pack Plus?

Designed by Community Nurses for Community Nurses: The pack supports aseptic technique and is laid out for ease of use. Each pack includes 10 swabs to avoid the need to open additional packs, and the waste bag has handles to securely tie to suitable anchor.

Economic Value: Maximise your budget with a high-quality, cost-effective solution. This pack is the most cost effective, comprehension dressing pack available through Drug Tariff and NHS Supply Chain, offering more contents per pack.

Efficient Care: Each pack contains more swabs, an additional drape and all the other components needed for a quick, easy and aseptic dressing change, reducing the need and cost of carrying additional components.

Resource-Friendly: Minimise waste by reducing the need to open multiple packs, promoting a more sustainable approach to wound care.
